STUDENTS,
I feel sure the upcoming registration has brought many an
undignified phrase to your lips - at least it has to mine.

Each quarter our campus is forced to endure the dictates
of Tampa and the registrar's office as to what day regis-
tration will be. Why Tampa? Why do you pick the most
unusual days? I for one will be taking final exams from
1-3 P.M. Our classes never close, and we no longer full
course cards so why December 1st?

Merely rebutting with the stock alibi "the computer made
us do it" seems rather shabby to me. Would it really make
any difference if we registered today or on Friday, Decem-
ber 3rd?

Tampa wake up!! Our fees are the same, the credits we
take equal yours. Stop treating this campus like an
unwanted step-child.

I call on our student association to get the facts and
put the pressure on Tampa. Any student with the gumption
to back up his grumbles should make the move now. Take
and fill out the provided form. Then turn it in at the
activities desk in B-Bldg.

JAN TAYLOR, EDITOR

Yes! I want a more student oriented registration
date for Bay Campus, which will not conflict
with either the preparation or taking of any
final examinations.
