Day 54 | 99 Days of Art in St Pete – Chill out with Cool Art this Summer!
Visit the Duncan McClellan Glass Gallery featuring rotating exhibitions showcasing nationally and internationally recognized glass artists. Glass is the primary medium, and artists are given the opportunity to work in the onsite hotshop. The Gallery in itself is a work of art in a former fish and tomato packing plant. Now a beautiful, multi-functional destination with a garden in the industrial area that surrounds it. The grounds have become a meeting place for glass artists, visiting dignitaries and the community. Info: http://dmglass.com/
