It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education, and the responsible use of leisure time is the goal toward which extra-curricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

A new policy for subsidizing these events begins Quarter I.

Since only FULL-FEE PAYING students contribute a portion of their tuition to Student Activities, ONLY FULL FEES PAYING students may purchase tickets at subsidized rates. Each full-fees payer will be allowed to receive up to $12 subsidy per Quarter upon presenting fee card at the time of purchase. Subsidy per event may not exceed $2.00 unless specially announced. Once a student has used up his subsidy he will have to pay regular ticket prices, as do faculty, staff and part time students.

Pardon our mess but we're remodeling. The state of confusion is caused by plans for central air conditioning to the library's several rooms and offices. This stalwart building does not take kindly to change of this nature, but hopefully, it will mean a more serviceable area for students, teachers, and library staff when completed. (And if we, the library staff, live through it!)

The general plans include a room for calculators and typewriters next to a small conference room which may be scheduled for small group meetings. Another similar area will house the microfilm cabinets and readers freeing more space for study in the periodical room. A third area will contain the materials used mainly by the juvenile literature class as well as tables and carrels for study.

WANT FOR LIBRARY LOAN PLAN WITH TAMPA COMING. (Thanks, Mrs. Cook!)

CONTINUED FROM COL. 1

Students must be full-time for the Quarter they receive subsidy.

In the past, full-fees payers have applied subsidy (discounts) to Sunshine Speedway, Showboat, Bayfront Center, Sunset Golf and Country Club.

THE REIVERS

COLOR

Downhill Racer

with Robert Redford, Gene Hackman, Camilla Sparv

Highly skilled but undisciplined, skier Redford, a bully and anti-social Colorado ski-bum, is called to Europe to replace an injured member of the U.S. Olympic team. Lacking in team spirit, he continues to dedicate his life not to the sport but to rising to the top of it. He becomes award material, only to learn that winning can be a momentary thing.

Director Michael Ritchie strapped a camera to a skier's helmet and had him race downhill at speeds up to 60 miles an hour, focusing on the dizzyingly blurred snow ahead. The only sounds heard are those of the skis flying jet-like over the snow and the laboring breathing of the skier.

Born Free

with Bill Travers, Virginia McKenna

Real-life husband and wife team McKenna and Travers play the Adamsons—a senior game warden and his wife in Kenya, who inhbit a trio of Lion cubs whose parents were killed. The cubs become particularly attached to Elsa, the smallest cub, who is their constant companion. When the cubs become old enough to ship to the zoo, joy is so heart-broken that Elsa is allowed to remain. She becomes a member of the family, rarely venturing out into the jungle. When the Adamsons are transferred to England, a problem arises for the Lion "born free". The solutions are quite amusing and the entire film is one of the most delightful seen in years.
