His lecture is sponsored by the Student Civil Liberties Association and will be presented at Noon and at 7:30 p.m. The program is free and open to the public.

Dr. Zinn is one of a growing number of activist scholars. A shipyard worker in his late teens, he went on to combat duty as an Air Force Bomber in World War II. DEAN'S LIST

All students who believe they may have the necessary grade point for the Dean's Honor List are requested to check with Mrs. Hubner in the Student Affairs Office as soon as possible to see if they are on the list for Quarter I. As students are no longer notified by mail if they are on the Dean's List, they will have to check in the Student Affairs Office each quarter to determine whether they are or are not on the list. At present there are tentative plans for a dinner in May, honoring those students who have appeared on the Dean's List during Quarter I and II.

POETRY POST

Two misfits in a world insane,
I guess that's what we are.
We love, we hope, we trust,
We believe in shooting stars; and when we feel the least bit hurt
We know just where to go.
When we feel the least bit hurt
I guess that's what we are.

All students who believe they may have the necessary grade point for the Dean's Honor List are requested to check with Mrs. Hubner in the Student Affairs Office as soon as possible to see if they are on the list for Quarter I. As students are no longer notified by mail if they are on the Dean's List, they will have to check in the Student Affairs Office each quarter to determine whether they are or are not on the list. At present there are tentative plans for a dinner in May, honoring those students who have appeared on the Dean's List during Quarter I and II.

SUBSIDIZATION

Cheap Thrills...

Contact Student Activities Office - Blug B

It is the belief of USF that participation in cultural and recreational activities is an integral part of a student's formal education and the responsible use of leisure time is a goal toward which extracurricular activities should be directed.

Due to limitations imposed by a lack of cultural and recreational resources on the St. Pete Campus, direct subsidization of student participation in certain community events will be employed to compensate for these deficiencies.

Each student who is taking the majority of hours on the St. Petersburg Campus will be allocated 80¢ per credit hour to be applied toward subsidization. Proof of fee payment is required, usually a validated registration sheet. Please bring photo I.D. also.

Once a student has used up his subsidy, he must pay regular ticket prices, as do faculty and staff members. All SUNSET GOLF COUNTRY CLUB TIXKETS... must be paid at least at the regular retail price. For example:

SUBSIDY PRICE

USF Student Juried Art Competition

The Second Annual University of South Florida Student Juried Art Competition will be held from April 11 to May 13 at the University’s Fine Arts Gallery.

The juried competition is open to any student currently enrolled at USF or its regional campuses. Twenty-eight awards, totaling $3,225.00 will be made, including a Best of Show prize of $600.00.

This year’s competition is directed by the Student Exhibition Committee of the USF Art Department and is supported by the USF Fine Arts Forum. Other sponsors include the Faculty of the USF Art Department, Florida Center for the Arts, the USF Fine Arts Council, Pyramid Arts, Ltd., the USF Visiting Artist Committee, and the USF Student Government.

The purpose of the show is to display and regard the creative efforts of student artists and to encourage a competitive university-wide exhibition of high calibre and professional achievement. There is no entry fee. Recent work in any media will be accepted, including painting, graphics, drawing, sculpture, ceramics, photography, cinematography, or mixed media. There is no size stipulation; works too large for the gallery space may be shown outside. Each painting, drawing, print or photograph must be suitably mounted under glass or plexiglass, with frame adequate to support the work when hung, and with screw eyes and wire or other hanging devices attached.

Each artist may submit three entries but is eligible to receive only one award. All works will be judged together, regardless of media or style. Juror for the show will be Ivan Karp, of the O.K. Harris Gallery, New York City.

Entry blanks must be filled out upon the hand delivery of works to the Fine Arts Gallery, located in the Old Library Building, on Tuesday, March 29, between 9:00 a.m. and 4:30 p.m. Judging will take place on Wednesday, March 30 and on Friday, April 1, between 9:00 a.m. and 4:30 p.m. All artists must be available either to sign acceptance slips (in order for their work to be shown) or to pick up rejected work. The exhibition will open on Tuesday, April 11, at 8:30 p.m. in the Engineering Building, Room 105. Awards will be presented and those films accepted into the show will be viewed. At 8:30 p.m., the Fine Arts Gallery will be opened and a reception will be held. The exhibition will close on Friday, May 13.

Questions regarding the exhibition may be directed to the Art Department, University of South Florida, Tampa, Florida 33620, or call 974-2360.

It’s true! USFSP’s “Angels” Debbie S., Janice L., and Patty J. are graduating in March. We’ll miss ya!

And SBA’s former “Godfather” (?) graduates, too. Good luck, Bill.

What famous professor (first initial “S”) is a descendant of the notorious “Mad Tom”?

The Second Annual University of South Florida Student Juried Art Competition will be held from April 11 to May 13 at the University's Fine Arts Gallery.

The juried competition is open to any student currently enrolled at USF or its regional campuses. Twenty-eight awards, totalling $3,225.00 will be made, including a Best of Show prize of $600.00.

This year's competition is directed by the Student Exhibition Committee of the USF Art Department and is supported by the USF Fine Arts Forum. Other sponsors include the Faculty of the USF Art Department, Florida Center for the Arts, the USF Fine Arts Council, Pyramid Arts, Ltd., the USF Visiting Artist Committee, and the USF Student Government.

The purpose of the show is to display and regard the creative efforts of student artists and to encourage a competitive university-wide exhibition of high calibre and professional achievement. There is no entry fee. Recent work in any media will be accepted, including painting, graphics, drawing, sculpture, ceramics, photography, cinematography, or mixed media. There is no size stipulation; works too large for the gallery space may be shown outside. Each painting, drawing, print or photograph must be suitably mounted under glass or plexiglas, with frame adequate to support the work when hung, and with s crew eyes and wire or other hanging devices attached.

Each artist may submit three entries but is eligible to receive only one award. All works will be judged together, regardless of media or style.

Juror for the show will be Ivan Karp, of the O.K. Harris Gallery, New York City.

Entry blanks must be filled out upon the hand delivery of works to the Fine Arts Gallery, located in the Old Library Building, on Tuesday, March 29, between 9:00 a.m. and 4:30 p.m. Judging will take place on Wednesday, March 30 and on Friday, April 1, between 9:00 a.m. and 4:30 p.m. All artists must be available either to sign acceptance slips (in order for their work to be shown) or to pick up rejected work. The exhibition will open on Tuesday, April 11, at 7:00 p.m. in the Engineering Building, Room 105. Awards will be presented and those films accepted into the show will be viewed. At 8:30 p.m., the Fine Arts Gallery will be opened and a reception will be held. The exhibition will close on Friday, May 13.

Questions regarding the exhibition may be directed to the Art Department, University of South Florida, Tampa, Florida 33620, or call 974-2360.
