NOTE TO EDITORS: 10:30 a.m. is the approximate time when a crane will lift the sculpture to the north wall of the Children's Research Institute. That morning you can reach Vince Ahern on site at (813) 767-9373 to verify the time.

Rosenquist sculpture to be installed at USF St. Petersburg Jan. 29

ST. PETERSBURG, FLA. (Jan. 22, 2002) -- Pop artist James Rosenquist's sculpture of a huge, colorful bandage will be installed on USF's Children's Research Institute building (4th St. & 6th Ave. S. in St. Petersburg) beginning at 9:30 a.m. on Jan. 29.

The sculpture measures 9 by 30 feet and is part of USF's public art program. It's worth an estimated $500,000. Rosenquist, who designed the piece as a gift to the children of Tampa Bay and USF, is expected to be on site during the installation.

Directions: The USF Children's Research Institute is located at 420 6th Ave. S. in St. Petersburg. From Tampa, take I-275 south to Exit 9. Merge on to 5th Avenue South. Turn right on 4th Street South. Turn right on 6th Avenue South.
